PARTNER TESTIMONIALS

“

Project Controls Expo Australia delivered a fantastic week of learning, connection, and insight. It was great to meet so many of our Contruent customers and hear powerful presentations from my colleagues Neil Burlison and Rik Falch, MBA on the state of the project controls landscape in APAC.

“

I had the pleasure of attending the Women in Project Controls networking event today as part of Project Controls Expo Australia. Being in a room full of women who are passionate about their work, open to conversations, and willing to share their journeys made the evening feel special.

What stood out the most was how easy it was to connect; everyone had a different story, a different path, and a different perspective, yet the energy in the room felt very supportive and encouraging.

That's a wrap on the Project Controls Expo 2025 in Melbourne.

A big thank you to everyone who visited our stand and attended the sessions delivered by Christian and Shane.

It has been a brilliant few days connecting with the project controls community.

We look forward to seeing you all next year!
