About Pitch to Client Zone

The Pitch to Client Zone is your chance to connect directly with key decision-makers from leading organizations in the project delivery ecosystem.

Secure your 15-minute session with our expert panel—featuring representatives from five prominent end clients and government bodies— to present your solutions, generate high-quality leads, and gain valuable insights into client needs. With a structured, sales-free environment, this is a unique opportunity to showcase your expertise, build meaningful connections, and drive business growth.

How It Works ?

Register Online

Complete the form to secure your slot.

Booking Fee

About SME Zone

The Subject Matter Expert Zone at the Project Controls Expo provides a platform for delegates to engage in 15-minute one-on-one sessions with industry-leading subject matter experts (SMEs).

These sessions aim to provide expert guidance on project controls, career growth, and industry trends, ensuring a purely technical and knowledge-sharing experience.

Why Participate?

- Access expert advice on project controls, career growth, and industry trends.
- Quick, impactful discussions with SMEs.
- Enhance learning and networking experience.

What is Subject Matter Expert Zone?

- **Clear & Valuable Insights**
Fast, Focused Insights—no sales pitches, just valuable discussions.
- **Quick Expert Access**
Attendees can register for a 15-minute slot with Subject Matter Experts.
- **Insights & Expertise**
Gain insights, career guidance, and technical expertise.
- **For All Professionals**
Open to professionals at all levels.

Process Instructions

Purpose: PCE is offering its platform to facilitate conversations between delegates and Subject Matter Experts (SMEs) for:

- Professional growth of individuals
- Development of the overall profession
- Supporting our mission in alignment with our vision

Platform Usage: PCE's platform can be used to host or continue these conversations.

Delegate-SME Interaction:

- Delegates are encouraged to connect with SMEs on LinkedIn.
- They can initiate conversations directly on LinkedIn.

Support:

- If anyone experiences communication issues, they are encouraged to reach out to the PCE team at aus_delegate@projectcontrolexpo.com

Detailed Agenda

Day 1 – Monday, 24th November 2025

Time	
09:00 – 17:30	Bootcamp @Jim Stynes Room A Topic: Roadmap to Mastering AI in Total Cost Management Facilitator: Lance Stephenson, Director of Operations PD&C, AECOM
12:00 – 18:00	Partners Showcase Setup – for Partners Only

Workshop Host/Speaker –

H.L (Lance) Stephenson

Lance is a Director of Operations, AECOM Canada. He is a seasoned operations leader with over 35 years of experience driving success in project delivery, operational excellence, and financial discipline. Known for his dynamic and results-oriented approach, he has led organizations to improve efficiency, profitability, and performance while managing over \$45 billion in assets across industries like Energy, Transportation, Infrastructure, and Buildings.

An author, international speaker, and contributor to the AACE’s TCM Handbook, Lance brings a pragmatic, people-focused style to bridging customer needs with innovative solutions in process, technology, and leadership.
